This ranch style house in Galena has had many recent updates. It has 3 bedrooms and two baths. Main full bath has been updated with new ceramic tile, vanity (2019) The kitchen boast new granite counter tops and stainless steel appliances. There are 4 sliding glass doors 3 in the living room and 1 in master suite that go to back deck. giving the home an spacious appearance. It allows one to see the back property with a hot tub for those well deserved relaxing moments. Walking through the home, you see all the large amount of storage space great for organization. The property sits on almost 1 acre; but you are close to the convenience retail stores and restaurants.
