SALMON SUCCESS: BOAT: 14 ft. Mirrocraft - aluminum –older but has a stronger design and materials than the newer models. Carrying capacity 925 pounds / 4-persons. Has custom center seat-side downrigger mounts for convenient operation when trolling; bow deck in front of front seat for easy step-in with gear storage on top and below (and where the dog parks!); middle-side dock cleat tie ropes on both sides; comfortable rear swivel seat, transom mounted net holder; includes wood oars, anchor with line, 2 life preservers (PFD), 2 mounted beverage holders. Paint it the color of your choice with a few cans of metal primer spray paint. 25-years of successful and convenient salmon fishing design in this boat. **MOTOR:** 2015 Mercury 9.9 hp, very quiet four-stroke short shaft motor recently fully serviced at Basspro-Denver including new water pump impeller – have work invoice; 3.1 gallon remote gas tank, comes with the never-used factory propeller and a lesser-pitch propeller that allows slower trolling needed for salmon and improves RMPs at higher elevations; has shallow water drive setting; mounted on transom at the perfect height for speed and shallow water; includes 25W-40 Synthetic Mercury motor oil (enough for 2 oil changes), and Quicksilver High-performance 90 weight lower unit gear lube with dispenser; owner's manual with servicing record; a REALLY nice motor that is the reason "Mercury" is #1 on

the water. **TRAILER:** older great working boat trailer, with wide 5-70 X 8 load range. One wheel is a heavy-duty bearing and axel that has been kept in good shape. Increase your
