Undercover Elite Tonneau Cover. Fits 2017 Tundra Crewmax. Bought & installed new on Dec 26, 2019 on my Tundra. Traded truck Jan 3 and removed lid. It is like new. Black textured with handle and key lock. Also has an LED light. Weighs about 60 lbs. Undercover is a great lid to keep everything dry in the truck bed. New this lid costs over \$1100.
